f. Sewer infrastructure with new development

- Dirt work is starting next week (running sewer lines)

g. Speed Bumps

- Put down early July.
- Still have another set that could go out.

h. Easements

- People are throwing vegetable scraps on easements. Those doing this will receive a letter from the RM reminding them this is not acceptable.
- Those interested in composting are encouraged to do so within their yards.

8. New Business:

a. Barking Dogs

- Received complaints about dogs being left out and causing disruption.
- Reminder these complaints can go through RM to ensure they receive a letter outlining the complaint.
- Emailing the Hamlet board does not fix these complaints. We cannot do anything to remedy these issues.

b. Internet for Town Shop
