"Building Community through Awareness and Collaboration"

HAMLET OF KRONAU MONTHLY MEETING MINUTES

Wednesday, September 9, 2026

Kronau Curling Rink

-
1. **Call to Order:** 6:33pm
 2. **Attendance:** 13 Community members
 3. **Conflict of Interest:** ~none
 4. **Adoption of agenda:** ~carried
 5. **Minutes distributed and adoption of August minutes:** ~carried
 6. **Old Business:**
 - a. **Town Shop Update**
 - Moved in. About 80% moved in.
 - We will look into hosting an open house – date TBD
 - b. **Barking Dogs**
 - Reminder was posted to Facebook
 - c. **Internet for Town Shop**
 - SPYR internet was installed
 - Will open up opportunities for lift station monitoring.
 - We will need to contact a lift station company to get this set up.
 - d. **Email sent re: Children Playing signs**
 - We had agreed that signs are ok as long as they are on their own property.
 - e. **Trailers on Easement Property**
 - There was an allowable time until June to get them out.
 - Last winter we allowed people to park their trailers over winter (as long as they are not blocking access)

---	---	--

- Once it dries up, we will allow residents to park trailers in their easements over the winter. Trailers need to be close to property to allow for pass through.

f. Recreational Vehicles in town

- RM posted a reminder to Facebook.

7. New Business:

a. Fall Yard Clean-up Bin

- Josh will call to set up a bin at the earliest convenience. The bin will be housed at the old town shop location.

b. New Culvert Prices

- Looking to get 4 new culverts installed (both sides of Maria – one new, one existing, and two on Matthew – Kootchin crossing).
- Josh was able to source pipe locally for a reasonable price. These will be solid steel pipes – not corrugated.
- Timeline for installation is before winter.
- It should take about 1 day for install on each culvert.

c. Tree Removal

- Tilley's came out to check out the removal of two dead trees along the service road.

d. New Development

- This is in no way a Hamlet project. This is done by a private developer.
- Concern regarding snow fence and grass that helped catch the snow
 - Hamlet will look into putting up a snow fence if drift-in occurs.

e. Municipal – Lift Station Cleaning

- Said one well was sludgy

---	--	--

8. Community Connections:

a. Museum

- Closed for the season
- 50/50 Tickets still available – message museum if interested
- Fall Fundraiser Dinner – October 18 @ Fancy Fork in Regina

b. Kronau Curling Rink

- Rental space is available. Contact Kcrc.kcc@gmail.com for information or check out the website.
- Reunion is closed until curling season begins in October.

9. Open Floor

a. Thank you for the garbage cans!

- Chad built those over the winter – they look great
- We can build more if needed.

b. Highway Speed Limit Reduction Request

- Because the town is growing, the highway traffic is also increasing. This is also causing an increase of noise.
- The highway will be getting some work (passing lanes)
- Without specific safety concerns, this may not be possible.
- Board will see if we can contact someone in highways to investigate.

c. Line Going to Dug-Out Might be Crushed

- If anyone has any information about the line, we would love their assistance.
- The water could not be pumped from Oyema to fill the dug-out this year.
- This is a concern for the Fire Hall as they fill their tanks from that dug-out.

	<i>"Building Community through Awareness and Collaboration"</i>	

- Chad recalls sending a file to the RM shop labeled "water works" that may have some information.

d. SEL Water Hook-up

- \$15,000 plus additional \$500 for hook-ups

10.Next Meeting: Monday, October 5 @ 6:30pm

11.Adjourn: 6:58pm
