"Building Community through Awareness and Collaboration"

HAMLET OF KRONAU MONTHLY MEETING AGENDA

July 21, 2025 at 6:30 PM

Kronau Curling Rink

-
1. **Call to Order:** 6:34pm
 2. **Attendance:** 15 community members
 3. **Conflict of Interest:** ~None
 4. **Adoption of agenda:** ~Carried
 5. **Minutes distributed and adoption of minutes:** ~Carried
 6. **Old Business:**
 - a. **Yard Waste Bin**
 - i. Has been taken away for the season. Will return again in the fall.
 - ii. Can we keep it all summer? We have not kept it in the past, but we can look at it and the feasibility.
 - iii. The problem is the bin costs us \$28,000 a year because we get charged due to people disposing of items that are not yard waste.
 - iv. We will look at the budget to see if this is something we can look into.
 - b. **Gopher /Vole Control**
 - i. Chad has treated once already this year for Gophers.
 - ii. Chad has put bait stations for voles but have not been successful.
 - iii. Chad will redo the area behind the dug-out, by the ball diamond, or anywhere he sees a fresh hole.
 - c. **Weed Spraying**
 - i. Chad has been spraying when he can (low wind and no rain). Has a good kill on the green spaces.

"Building Community through Awareness and Collaboration"

- ii. Chad is looking to hit some of the gravel spaces with round-up.

d. Speed Bumps

- i. Have been laid. There is more to go out.
- ii. We will add in front of the day care on Matthew and in front of the post office.
- iii. The bumps help encourage people to stop in front of the stop signs.
- iv. Corner of Koochin and Railway can be an issue. Chad will look at putting some on, but he grades those often.

e. Town Shop Update

- i. **Hooking up town water? SEL inquired** – The plan was to pull water out of the dugout just like KADER. If we are interested in town water, SEL said they would waive the hook-up fee. This is something we can look into.
 - We are looking to pull in a line from the dugout and run it to the shop. The line should have a float to help.
- ii. Prep has been done and piles have been poured. Foundation should be poured soon.

f. Parking in Easements

- i. Reminder that easements are not for parking equipment.
- ii. We are working with the RM to see if there are permits that could be created. We are trying to come up with a plan so everyone knows what they can and cannot do.
- iii. Currently the rule is not parking on open lots and no parking on easements.
- iv. This is a problem in many hamlets, not just in Kronau.

7. New Business:

a. Lift Station PM and Alarm Notification

- i. June 27, there was a storm that caused the power to go out. This caused the entire lift-station to go down. As a result, this caused some people to have their sewer back-up into their house.
- ii. This has caused vulnerability to the system. We would need to upgrade the system to include a dial-out to alert us when the system is not working properly.
- iii. We have a company (Municipal) that comes out and maintains the lift station. Moving forward, we will also add more regular checks and protocols.
- iv. In the event that the power goes out, we will ensure the lift-station is checked once the power is restored.
- v. We will also work at collecting email addresses and remind people to join the RM notification program (H2 Notification)

b. Sewer Line Cleaning

- i. July 31 we will have Roto Rooter come out to flush out the sewer lines.

c. Blading Streets

- i. Roads were graveled by the RM.
- ii. Chad will continue to grade the streets and look into fixing some of the washboards around town.
- iii. Chad is chatting with Sedley and share ideas.

d. Tree Trimming

- i. Chad has trimmed some streets down main street by the park.
- ii. Chad will be looking at taking down some of the dead

branches/trees.

8. Community Connections:

a. Museum

- i. Kids Camps – Aug. 11-15
- ii. New Exhibit this summer – Back to the Future (Kronau past, present & future)

b. Kronau Curling Rink

- i. Campers parking for special events – remind them not to park on the grass when it is wet.

9. Open Floor:

- a. **Lagoon** – Who can use it? Is it just to anyone from Kronau or the RM can use it? Terry has seen 4 different trucks going in. If they are coming from outside of Kronau, they have to pay us a fee.

- i. Terry observed there was no lock and the gate was partially open. Chad will look into it.

10.Next meeting: August 11 @ 6:30pm

11.Adjourn: 7:30pm
