HAMLET OF KRONAU MONTHLY MINUTES

June 3, 2024 at 7:00 PM

Kronau Curling Rink

-
1. **Call to Order:** 7:03pm
 2. **Attendance:** 8 community members present
 3. **Conflict of Interest:** none
 4. **Adoption of agenda:** ~Carried~
 5. **Minutes distributed and adoption of minutes:** ~Carried~
 6. **Old Business:**
 - a. **Spraying Weeds:** Ivan has agreed to help with spraying town once again at a low cost. We will notify the community when this takes place as we will be closing the park/ball diamonds for 24 hours for safety reasons.
 - i. His cost increased this year from the previous year – it was dryer this year and we covered more area.
 - ii. We will evaluate if we need to respray again this year and book if necessary.
 - b. **Speed Bump Installation:** Once the roads get graveled, we will look at putting these down once again.
 - i. Roads have been graded, still awaiting gravel.
 - c. **New Hamlet Public Works Position:** Moving onto interview process in the next week. This position will oversee the summer students and volunteer operators.
 - d. **Lift Station Insurance:** We are looking to ensure we have enough insurance to cover any major incidents.
 - i. Mason is in talks with Shordee

7. New Business:

a. New Hamlet Public Works Operator & Returning Employees

- i. Welcome Chad Jarton who has begun for a little over 1 week already. He is a resident of Kronau and is looking forward to working with the hamlet.
- ii. In addition, we have 2 summer students and 2 additional volunteers who are working to keep the hamlet clean.

b. Yard Clean-Up Bin

- i. Has recently been dumped. We will remove the bin by June 15.

c. Dug-Out Pump

- i. The dug-out pump is owned by the hamlet and has been monitored by Ivan. There are a few residents who have keys (you can purchase keys from Rhonda & Ivan for \$10/year) and the deal is that if you break it, you try to fix it. If it completely goes down, then the group of key owners will pool to replace the pump. Anyone who has any issues are to email or call Ivan who will work with them and deal with it.
- ii. There may be an issue with the filter on the hose to the pump. It is possible the lines have eroded.

d. Fencing around back of pumphouse to enclose valves & pipes

- i. Around the back of the SEL33 pumphouse there are exposed valves. Today a letter was delivered and SEL was instructed that a fence will need to be erected to go around the exposed values and pipes.

8. Open Floor:

a. Mosquito Spraying:

- i. Any personal yards can get sprayed for mosquitoes & ticks for
