"Building Community through Awareness and Collaboration"

HAMLET OF KRONAU MONTHLY MEETING AGENDA

Aug. 11, 2025 at 6:30 PM

Kronau Curling Rink

-
1. **Call to Order:** 6:33pm
 2. **Attendance:** 8 residents in attendance
 3. **Conflict of Interest:** ~None
 4. **Adoption of agenda:** add (h) Dust Control Survey Results (Old Business)
 5. **Minutes distributed and adoption of minutes:** ~Carried
 6. **Old Business:**
 - a. **Town Shop Update**
 - i. Piles are all poured
 - ii. Septic/Sewer has been put in.
 - iii. Water has been trenched in, the hose is at the building.
 - iv. They seem to be on schedule. ETA is November 1.
 - v. Ask from the floor was to consider local residents as contractors for future projects.
 - b. **Lift Station PM and Alarm Notification**
 - i. Contractor scheduled to come in a week. They will changes some valves. They will also take specs off the controller and see what modifications they can make to the notification system.
 - ii. There is a way to have a call out in the event of a power failure. We will investigate this option once the town shop is up (run off the wifi).
 - c. **Sewer Line Cleaning**
 - i. RotoRooter came out last week. A lot of gravel (2.5 feet) at the end

of Kootchin in the man hold. They cleaned that out.

- ii. There is another one buried. We will get that pulled up as well.
- iii. It is in good shape now. We will get it on a schedule to ensure we stay on top of it.

d. Blading Streets

- i. Chad has been using the road boss. Things have been going well and he is able to maintain the roads well.

e. Tree Trimming

- i. Chad will be cleaning out dead branches that they can reach with the pole saw.

f. Lagoon Usage

- i. Queen City is back in the lagoon (paid the fee due to inappropriate usage). They sold and have new owners.
- ii. Chad checks the lagoon once a week to monitor it as well.
- iii. Plan is to figure out a FOB swipe system for septic services to use to help us better track usage as well.

g. New Town Sign

- i. We have been working at creating a new town sign as our current one needs replacing.
- ii. We are looking at replacing the large one (at current location) and adding a smaller one on main street.
- iii. We will look at redoing the landscaping around the sign as well. This would be a good project for next summer.

h. Dust Control Survey Results

- i. Survey was shared on Facebook at the end of May. There were 2 more votes for "no" than "yes"
- ii. Total of 48 votes – there were a lot of multiple votes from households, which leaves us at approximately 15 votes in total.
- iii. ~\$1700 per 200 meters. Grand Coulee quoted \$68,000 to do their whole town.
- iv. Do speed bumps help with dust?
 - They slow people down, so they limit a bit more of the dust around town.
- v. We could look at wetting the roads when/if it gets dusty in town.
- vi. We will continue this conversation and continue to look at solutions.

7. New Business:

a. Garbage and Sewer notices

- i. Prior to this year, the notices came out with taxes.
- ii. This year, it came and residents were given 1 month to pay – payment is due August 31.
- iii. Late payments will charged a 2% interest fee per month.
- iv. This is so that the whole RM is on the same schedule.

8. Community Connections:

a. Museum

- i. New Exhibit this summer – Back to the Future (Kronau past, present & future) – Open 7 days until August 29, then Monday-Friday until December 19.
- ii. Currently selling 50/50 tickets. \$2 a ticket. Tickets are available for purchase at the museum or from any board member. Draw in December.

b. Kronau Curling Rink

9. Open Floor:

a. Speed Bumps:

- i. Request to put some along Matthew (just past Koochin) and on Railway.
- ii. We are currently out of speed bumps. To purchase additional bumps is about \$100-\$150 a bump.
 - We will order a few more and get them down.
- iii. We will ask the CSO to come and patrol town to try to catch the frequent speeders.

b. Weeds:

- i. Chad is waiting for the weather to clear to help the weed control be effective (no wind/no rain).
- ii. Product called "Grazon" – you have to spray it after the first frost. It is reported to be very effective.
- iii. We will see about pulling some of the weeds by hand to help control the spread.

c. Field outside of town:

HAMLET OF KRONAU

Box 151, Kronau, SK S0G 2T0

email: kronauhamletboard@gmail.com

"Building Community through Awareness and Collaboration"

- i. We will ask Steve (again) to cut the hay down...again. Once the grass dries it becomes a fire hazard.
- ii. Looking for the hamlet to maintain the snow fence that was put in along that field.
- iii. Also requested to extend the fence along Matthew to help block the drifts in the winter.
 - We will need to get permission to put this up.

d. Ditch – water is holding up

- i. RM looked at it when the RM was graveling. The idea was to either put in a new culvert or dig it down.
- ii. We will follow up with the RM and determine when this might happen.

e. Summer Students

- i. What are their duties? Do they whipper snip?
- ii. A request to have them whipper snip in the ditch along the side of Koochin.
- iii. Ultimately their duties are assigned by Chad.

f. Gravel in Easement Request

- i. The request was so they are able to access parking in the backyard.
- ii. Because the mower runs through the easements, we need to ensure that the gravel is low enough that the mower does not suck it up.
- iii. We will also watch the waterflow to ensure it does not impede water from running.

g. Snow Clearing in Easements

HAMLET OF KRONAU

Box 151, Kronau, SK S0G 2T0

email: kronauhamletboard@gmail.com

"Building Community through Awareness and Collaboration"

- i. A request to clear the easements in the winter.
- ii. We will re-explore this in the winter months.

h. Street Light is Out

- i. Kronau Street and Leippi Bay
- ii. You can use the Sask Power App to report a burned out street light.

10.Next meeting: September 8, 2025 @ 6:30pm

11.Adjourn: 7:47pm
