#### **d. Neoen Open House – Monday, Nov. 3**

- Nothing new

#### **e. Memorial Hall**

- On Thursday, Dec. 4 the Hamlet took ownership of the Memorial Hall.
- We will hold a meeting in the new year to discuss options. Anyone with ideas/proposals are invited to attend.

#### **f. Lift Station Generator Update**

- Mason was working with contractors to find out what it would take to put in a larger generator to ensure both pumps are working in emergency situations. Issue is that there is not enough gas – we would need to look at upsizing the gas line.
- Mason is continuing to work on this and find solutions.
- This will be looked at in the 2026 budget.

### **7. New Business:**

#### **a. Light Pole Quote**

- Chad got quotes for adding power to our light posts to add Christmas lights to. Unfortunately, only 1 of our posts would qualify based on the restrictions Sask Power has put on.
- We would like to add a festive flare to town and will continue to look at options.

#### **b. New Town Sign**

- New town sign has been put up.
- We will get some lights put up to illuminate the sign in the new year.

#### **c. Passenger Rail Car Experience**
