a. Speed Bump near stop sign:

- i. People seem to slow down for the bump, but then speed through the stop sign.
- ii. People speeding through stop signs are a continued issue.

b. Trailers on Easements/vacant property:

- i. Question surrounding storing trailers in easements – the board is looking at developing a policy, but we are trying to find ways to make it feasible and equitable among all residents.
- ii. Vacant properties are not zoned to store trailers or equipment. The only way around it is to zone the property as commercial.
- iii. Part of the problem, is that we are trying to be fair to all the residents in town.
- iv. We will look at the draft policy the RM has shared and determine a cost for a permit and fines associated with not adhering to the requirements.
- v. This policy would be on a 1 year trial.
- vi. Another idea that was suggested was to develop a trailer storage area in the ball diamond or field area.

c. Bird Event in park

- i. We received many calls and complaints regarding the event – many of which were quite racist.
- ii. While the hamlet was not notified about this event, we would hope
