- iii. The water is coming from the ground at the end of Railway – it is moving/running from that area.
- iv. There could be a leak in the pipe from the dugout.
- v. We will continue to monitor the water.

### 8. Open Floor:

- a. SEL 33 work on vacant lots on Hoidale – question pertaining the posts in the lot.
  - i. SEL 33 was doing some work to allow for shut-off/flush-out. The posts sticking up appear to be on the property, not on hamlet property. The work was not communicated with the property owner.
  - ii. This work has been done without SEL reaching out to the Hamlet prior to doing the work to discuss property lines.
  - iii. The landowner was directed to contact SEL regarding her concerns.
- b. Culvert monitoring – question about who monitors them to make sure they are clear for draining to avoid flooding.
  - i. The Hamlet monitors the culverts.
  - ii. If anyone has concerns about the drainage and culverts, they are encouraged to come and discuss.
- c. French Drain concerns
  - i. It was observed the pavement might have caved in where the drain was installed.
  - ii. The pavement is crumbling, but highways does not seem interested in repairing.

**9. Next meeting:** Monday, Dec. 2@ 6:30pm

**10. Adjourn:** 6:49pm
