"Building Community through Awareness and Collaboration"

g. Trees:

- i. Will continue to monitor – TABLED until next Spring.

h. Road Maintenance:

- i. Will continue until snow flies!
- ii. We will ask the RM to come out with the grader 1 more time before winter.

i. Yard Clean-Up Bin:

- i. Arrived mid September.
- ii. We will continue to monitor, but it is nearing the end for the season.

j. Steel Bin:

- i. Arrived early October and will be available for residents to dispose of their steel

k. Dust Control:

- i. Tabled until late Winter

l. Speed Bumps:

- i. Got lifted today.

7. New Business:

a. Lagoon Request:

- i. Schaffer's Septic has requested access to the lagoon to dump their trucks.
- ii. Motion: We approve Schaffer's Septic to use the lagoon to dump their trucks. ~Carried~

- 1. ACTION: We will share the list of approved Septic companies utilizing the lagoon with the community. – These companies are to give the residents of Kronau a

break and NOT charge the dumping fees.

b. SEL road work

- i.** SEL removed a hydrant in Leippi Bay and did some roadwork to remediate the damage caused.
- ii.** It is important for SEL to work with the hamlet so we can coordinate work efforts.

c. Use of work orders for tracking projects/jobs

- i.** We are looking at creating a digital platform to create and track work that has been done and the progress of jobs. This will be a good piece of historical data for people to refer back to.

d. Speed Bumps – winter update

- i.** Covered in Old Business.

e. KADER request

i. Cattails at the lagoon

- 1.** Water Security has recommended that we burn the cattails.
- 2.** The Hamlet will ask KADER to do a controlled burn to take care of them.

f. Shop Update

- i.** We have an insurance claim on the old shop that was able to be extended an additional year.
- ii.** We have an engineer working on designing a new shop – this has been approved. We are waiting for the plans to be engineered.
- iii.** The tender process will not occur until Summer.
- iv.** The new shop will be located behind the Rink on land that does not belong to anyone – it is getting claimed from tax enforcement.
– Nothing is going to be approved until we have land to put it on.

- v. The previous location will become a compound to store aggregate.

g. Hall Update

- i. We had a building inspector come through and test for asbestos – there was some found.
- ii. There was a water break – we put in a curb stop.
- iii. We do not own the Hall, so we cannot rent it out as there is no ownership.
- iv. Heat is on, water is off.
- v. We have had a request for loaning tables, chairs & equipment but we are not in a position to monitor or manage it.
- vi. Right now the Hamlet is covering the bills associated with the Hall.

8. Open Floor:

a. Hall Questions:

- i. Concern regarding not using the hall and being able to lend items out to the community.
 - 1. The Museum borrowed chairs from the hall for their grand opening. These will be returned when they are required.
- ii. Have we received an estimate to update and fix up the Town Hall?
- iii. Concerns regarding ownership of the Kronau Hall.
 - 1. Ongoing costs of running & maintaining the Hall.
 - 2. Establishing a group to run & manage the Hall.

b. Lift Station generator updated & soft start has been put in. Currently Mason is the only person who receives notifications.

c. Corner Markers: - Chad got a quote to get corner markers – TABLED until next meeting.

d. Chad – Thank you for all of your hard work – the Hamlet looks fantastic!
