

Riceton Hamlet Board Special Meeting May 29th 2025

Present: Bob Wog, Rob Pitchko, Curtis Avery

Call to Order: 7:09pm

- Council had discussion with Darcy on May 22nd regarding possible work in Riceton (eg; culvert, road grading, stock piling of gravel and clay, gravelling town streets) and possible help from RM regarding drainage in town. Darcy advised any requests for hamlet work should be routed through the RM office and the CAO. Hamlet Board will draft an email to send to the RM with itemized list of requests.
- Discussed purchase of battery charger for cordless tools in town shop from Prairie Sky.
- Discussed purchase of additional gasoline for town shop. Bob will be submitting an invoice for the fuel (purchased at Petro Canada cardlock in Regina).
- Discussed alternate method of reporting hours for town work. Curtis to facilitate and report back to hamlet board.
- Maintenance on tractors / skid steer has been completed.

Meeting Adjourned @8:11pm
