

## Riceton Hamlet Meeting for November 24th 2025

Present: Rob Pitchko, Bob Wog, Curtis Avery

Call to Order: 7:02pm

- 1) Discussed hours for Hamlet work for November.
- 2) Discussion RE: Hamlet Board meeting date. Set date will be the 24<sup>th</sup> of each month with the understanding that if the 24<sup>th</sup> falls on a Saturday or Sunday then the meeting will be held the Friday before the weekend. Motion carried.
- 3) Discussion RE: Utility work in the Hamlet by Sask Power, Sask Energy, etc... Hamlet is requesting that when permits are obtained by Utility companies, then the Hamlet Board wishes to be notified in advance. There was an issue recently (Nov 20<sup>th</sup>) with Sask Energy / their contracted operator, driving around town with a backhoe spreading mud on the roads while the operator was attempting to locate someone with a fob for the Municipal Well. The mud was cleaned up after the operator was asked to do so, but they left it in a pile beside the Hamlet Gravel pile.
- 4) Discussion RE: Second request sent to Sask Power for tree trimming. Last email was on Oct 7<sup>th</sup> which stated "A SaskPower Powerline Technician has been onsite to assess your Tree Trim Request. Based on the assessment, it has been determined that the problem is not urgent and/or additional equipment is required. A Powerline Technician will be scheduled at a later date to complete the tree trim." There has been no further update or email since Oct 7<sup>th</sup>.
- 5) Discussion RE: Ratepayer request for additional speed sign on King St. Curtis to submit request to RM.

Meeting Adjourned at 8:10pm
